

Remarks

Applicants thank the Examiner for the careful examination of this application and the clear explanation of the rejections.

The amended specification corrects equation [6] with double brackets and underlining.

The claims are amended pursuant to the recommendations and requirements of the Action. The amended and remaining claims obviate the rejections under 35 USC 112.

The accompanying Terminal Disclaimer obviates the double patenting rejection.

The application is in allowable form and the claims distinguish over the cited references. Applicants respectfully request reconsideration or further examination of this application.

Respectfully Submitted,

/Lawrence J Bassuk/
